

BRC Global Standard for Packaging Issue 5 - 6 Conversion for Auditors – 2 days

INTRODUCTION

This course will provide auditors who have audited against Issue 5 of the Standard with details of the changes to format and content of the Standard with a review of audit protocol and BRC Global Standards (BRC GS) expectations.

DURATION

2 Days - 09.00 – 18.00

WHO SHOULD ATTEND?

- Current Global Standard for Packaging and Packaging Materials Issue 5 Auditors
- Certification body Personnel responsible for technical review

PRIOR KNOWLEDGE

Delegates should have a record of completed training for the Global Standard for Packaging and Packaging Materials Issue 5. Delegates are expected to have read and reviewed a copy of the BRC GS for Packaging & Packaging Materials Issue 6 prior to attending the course. The standard is available from the [BRCGS Bookshop](#).

COURSE OBJECTIVES

This course will provide delegates with an in-depth understanding of the revisions to the format and content. It includes particular reference to the changes in order to better reflect the diversity of the Packaging industry and how this affects them.

This will also be an opportunity to effect calibration of auditors to ensure the effectiveness of audits against the Standard to BRCGS requirements.

COURSE CONTENT

- Understand the reasons for changes to the Standard, including industry developments
- Recognise how the changes will benefit retailers, manufacturers, auditors and consumers
- Recognise the changes to the protocol of the Standard
- Understand the changes from Issue 5 to 6 including changes of format of the Standard, changes to existing clauses, new requirements and additional modules

IN-HOUSE COURSES
