

BRC Global Standard Understanding the Requirements Packaging

INTRODUCTION

This course has been designed to enable delegates to gain a full understanding of the requirements of Issue 6, including the objective of fundamental clauses and statements of intent.

DURATION

2 Days, 09.30 – 16.00 each day

WHO SHOULD ATTEND

This course is aimed at

- Manufacturers
- Technical/Quality Managers and Consultants
- BRC Global Standard (BRCGS) Approved Training Providers.

PRIOR KNOWLEDGE

A good technical knowledge of the packaging industry is essential, and delegates are expected to have read and reviewed a copy of the BRCGS for Packaging & Packaging Materials Issue 6 prior to attending the course. The standard is available from the [BRCGS Bookshop](#).

COURSE OBJECTIVES

Delegates will learn how audits against the Standard operate including preparation, the audit, non-conformities, corrective actions and certificate issue.

COURSE CONTENT

- Understand the background and benefits of the Standard
- Determine audit scope and plan the audit
- Understand what it is to have an audit, non-conformities and corrective actions
- Know how to report issues and use BRCGS resources
- Understand the details of the audit and certification programme

IN-HOUSE COURSES

Offering better value for money, they can be designed to closely match your specific requirements.

STYLE OF DELIVERY AND COURSE LEADERS

Our course tutors have substantial experience in the field of BRC Packaging Standards. They are qualified and experienced with extensive practical audit experience across a wide range of packaging sectors.

CERTIFICATION

Delegates successfully completing an optional on-line multi-choice exam (taken at the end of the course) will be awarded a BRC Certificate issued by the BRC. If the course exam is to be taken, an internet enabled laptop or device is required. If the exam is not taken, then an attendance certificate will be awarded by the BRC.

BOOKING AND COURSE FEES

Please Note - this course is only available on an In-house basis, please contact us for further information
