

## **ISO 9001/14001:2015 Combined Auditor Transition**

### **INTRODUCTION**

This highly interactive modular three day approved CQI and IRCA Certified training course is designed to transition existing registered auditors and auditors of 14001 and 9001 certified businesses to the new ISO 14001:2015 and 9001:2015 international standards.

### **DURATION**

3 Days, 08.30 – 17.30

### **WHO SHOULD ATTEND?**

This course is essential if you are

- An existing registered first, second or third party environmental and quality management systems auditor
- A first, second or third party environmental and quality management systems auditor wishing to keep their auditing skills and techniques up to date
- A first, second or third party environmental and quality management systems auditor wanting to learn about ISO 14000:2015 and 9001:2015 and how the revisions to this standards affect you
- A second or third party auditor working for an organisation that is certified to ISO 14001 and ISO 9001 and is transitioning to the 2015 revision of the standards

### **COURSE OBJECTIVES**

The key learning objective of this course is to equip delegates with the enhanced skills and knowledge required to audit against an ISO 14001:2015 and ISO 9001:2015 environmental and quality management system.

### **COURSE CONTENT**

- The structure of a generic management system based on Annex SL Appendix 2 and the implications of this from an audit perspective
- The requirements for understanding the organisation and its context and how they may be audited
- The new and enhanced requirements for leadership and how they may be audited.
- The requirements for determining and addressing risks and opportunities and how they may be audited
- The enhanced requirements concerning the process approach and how they may be audited.
- How to adapt your auditing technique to accommodate the new and amended requirements in ISO 14001:2015 and 9001:2015
- Understanding the new requirements of taking a Life Cycle Perspective in ISO 14001:2015 and an introduction to environmental thinking when applying a Life Cycle Approach

### **WHAT ARE THE BENEFITS?**

This course offers the most effective way to equip delegates with the skills and knowledge to audit against the revised standards. Delegates will also find the interactive nature of the course; it's challenging content and extensive use of team-based exercises, stimulating and surprisingly enjoyable.

### **IN – HOUSE COURSES**

Offering better value for money, they can be designed to closely match your specific requirements.

### **STYLE OF DELIVERY AND COURSE LEADERS**

Our course leaders have unrivalled quality and environmental management systems design and improvement experience. They are qualified and experienced auditors with extensive practical management experience across a wide range of sectors including manufacturing, finance, pharmaceuticals, local and national government. We have extensive experience working across cultural boundaries, through our work in Europe, Africa, the Middle East, Asia and the Americas.

### **CERTIFICATION**

Delegates successfully completing the course will be awarded a CQI and IRCA Certified training certificate (A17949, A17950, A17951).

### **BOOKING AND COURSE FEES**

The fee includes a full lunch and refreshments during both days. Please log on to our website [www.iqms.co.uk](http://www.iqms.co.uk) and complete an on-line booking form advising payment details/purchase order number.

**Fee: £895 plus VAT**
