

ISO 9001:2015 Auditor Transition

INTRODUCTION

This highly interactive two-day approved CQI and IRCA Certified training course is designed to transition existing registered auditors of 9001 certified businesses to the new ISO 9001:2015 international standard.

Note: Auditors seeking transition to both ISO 9001:2015 and ISO 14001:2015 standards should consider attending our combined 3 day approved CQI and IRCA Certified training course.

DURATION

2 Days, 08.30 – 17.00

WHO SHOULD ATTEND?

This course is essential if you are

- An existing registered first, second or third party quality management systems auditor
- A first, second or third party quality management systems auditor wishing to keep their auditing skills and techniques up to date
- A first, second or third party quality management systems auditor wanting to learn about ISO 9001:2015 and how the revisions to this standard affect you
- A second or third party auditor working for an organisation that is certified to ISO 9001 and is transitioning to the 2015 revision of the standard

COURSE OBJECTIVES

The key learning objective of this course is to equip delegates with the enhanced skills and knowledge required to audit against an ISO 9001:2015 quality management system.

COURSE CONTENT

- The structure of a generic management system based on Annex SL Appendix 2 and the implications of this from an audit perspective
- The requirements for understanding the organisation and its context and how they may be audited
- The new and enhanced requirements for leadership and how they may be audited.
- The requirements for determining and addressing risks and opportunities and how they may be audited
- The enhanced requirements concerning the process approach and how they may be audited
- How to adapt your auditing technique to accommodate the new and amended requirements in ISO 9001:2015

WHAT ARE THE BENEFITS?

This course offers the most effective way to equip delegates with the skills and knowledge to audit against the revised standard. Delegates will also find the interactive nature of the course; it's challenging content and extensive use of team-based exercises, stimulating and surprisingly enjoyable.
